

BIOGRAPHICAL SKETCH

Provide the following information for the Senior/key personnel and other significant contributors.
Follow this format for each person. DO NOT EXCEED FIVE PAGES.

NAME: Dalamagka, Maria

eRA COMMONS USER NAME (credential, e.g., agency login):

POSITION TITLE:

EDUCATION/TRAINING *(Begin with baccalaureate or other initial professional education, such as nursing, include postdoctoral training and residency training if applicable. Add/delete rows as necessary.)*

INSTITUTION AND LOCATION	DEGREE (if applicable)	END DATE MM/YYYY	FIELD OF STUDY
Medical University of Sofia, Bulgaria, Sofia	MD	11/2000	Medicine
Faculty of Medicine, Medical University of Sofia, Bulgaria, Sofia	MS	2000	Clinical Medicine
Hypnosis North Institute	OTH	2008	Advanced Hypnosis
North Institute of Acupuncture, ICMART, Thessaloniki, Greece., Thessaloniki	OTH	2009	Diploma in Acupuncture Acupuncture and Oriental Medicine, Electroacupuncture, Laser, Pain. Medical acupuncture license from the Ministry of Health .
General Hospital of Larissa and General University Hospital of Larissa, Greece, Larissa	OTH	2010	Diploma in Anesthesia - anaesthetist, physician Field of study: Anesthesia.
Faculty of Medicine, Medical University, Aristotle University of Thessaloniki (AUTH), Greece., Thessaloniki	OTH	2014	Postgraduate studies at Aristotle University as a PhD candidate. Clinical Medicine. Presentations: - postgraduate course on: acupuncture in chronic pain -postgraduate course on: pediatric neurological diseases -postgraduate course on: quality of life in kidney transplantation
Queen Mary University of London, London	OTH	2015	Diploma as researcher Field of study: Postoperative outcome in surgical and ICU patients
Faculty of Medicine, Medical University, Aristotle University of Thessaloniki (AUTH), Greece, Thessaloniki	PHD	2016	Pain, Anesthesia, Postoperative pain , electroacupuncture
Faculty of Medicine, Medical University, Aristotle University of Thessaloniki (AUTH), Greece	OTH	2025	Postdoctoral work in Anesthesiology, Acupuncture, Pain, Neurology, Emergency medicine, surgical anesthesia, pediatrics, renal failure, psychology

A. Personal Statement

Maria I. Dalamagka (ΜΑΡΙΑ Η. ΔΑΛΑΜΑΓΚΑ) MD, MSc, PhD AUTH, Related QMUL, UAEM, HAL, Sohag University, Egypt, UKSH. Anesthesiologist- physician at GHL academic profile
<https://cv.hal.science/maria-dalamagka> Academic & Professional Biography: Dr. Maria Dalamagka (MD,

MSc, PhD) <https://orcid.org/0000-0001-8703-8770> <https://auth.academia.edu/MariaDalamagka> https://consensus.app/search/maria-i-dalamagka-anesthesiology/-gQcUn9jRIC5HTYjx-AlvQ/?utm_source=share&utm_medium=clipboard <https://photos.app.goo.gl/nRDCzxsrgHBAEdCj8> Current Clinical Position Dr. Maria I. Dalamagka is an Anesthesiologist at the General Hospital of Larissa (GHL). <https://scite.ai/users/maria-dalamagka-E4EKk> Academic Degrees & Studies MD, MSc, PhD AUTH: She holds a Bachelor of Medicine (MD), a Master of Science (MSc) and a Doctor of Medicine (PhD) from the Aristotle University of Thessaloniki. <https://freader.ekt.gr/eadd/index.php?doc=36667&lang=> https://www.academia.edu/164655891/Scholar_postdoc https://github.com/MaryDalamagka/facebook.com---scholar.-Postdoc/blob/main/Scholar_postdoc.pdf <https://www.facebook.com/100000257940422/posts/pfbid0TvawsSmHq9Dq6LXYgkTZYjh1bAsy9ohbGiuLoqoHdX54zDKhJpBmBoYU1ry2hl/> <https://doi.org/10.13140/rg.2.2.30937.79206> <https://www.researchgate.net/profile/Maria-Dalamagka> International Research Connections & Collaborations Research Affiliations: with international academic institutions, such as Queen Mary University of London (QMUL), the Autonomous University of the State of Mexico (UAEM), the French digital archive HAL, Sohag University in Egypt, as well as the University Hospital of Schleswig-Holstein (UKSH) in Germany. Research collaborations, data exchange and joint publications with universities and institutions abroad: Queen Mary University of London (QMUL), United Kingdom. Universitätsklinikum Schleswig-Holstein (UKSH), Germany. Autonomous University of the State of Mexico (UAEM), Mexico. Red de Revistas Científicas de América Latina y el Caribe (Redalyc) <https://www.redalyc.org/autor.oa?id=75729> Sohag University, Egypt. Ministère de l'Enseignement supérieur (HAL), France). Deposit and dissemination of scientific works on the official French open access platform HAL open archive of the French Ministry of Higher Education and Research. <https://scanr.enseignementsup-recherche.gouv.fr/search/publications?q=Dalamagka%2C+Maria> <https://gr.linkedin.com/in/maria-dalamagka-17921126> Academy AIREC (Academy of International Research, Events and Courses), GREEN (Global Research Education & Event Network), IAS (International Association of Scientists) <https://www.youtube.com/watch?v=t8TPFid9dLs> <https://www.kiphub.com/search?wd=Maria+Dalamagka> Clinical Experience & Specialization Anesthesiology: Experience in the anesthetic management of pediatric, obstetric, orthopedic and oncological cases. Pain Management & Acupuncture: Has completed postgraduate studies and research on the application of medical acupuncture for the treatment of acute postoperative and chronic pain. Intensive Care Unit: During the COVID-19 pandemic, actively contributed to the management and care of patients in critical condition. <https://twitter.com/MaryDalamagka> Research & Editorial Work <https://explore.openaire.eu/search/find?fv0=Maria%20Dalamagka&f0=q> Publications: Author of scientific articles focusing on pediatric anesthesia, intubation complications and the mechanism of pain. Her research work is accessible on platforms such as Google Scholar and ResearchGate. Editorial Activity (Editor): Participates as a member of the editorial board and reviewer in many international medical journals in anesthesiology and pain management. <https://www.facebook.com/marydalamaga> Research work with over 160 scientific publications and active role as a reviewer and member of editorial boards in international medical journals. Research and conference activity focuses on anesthesiology, pain management, pediatric anesthesia, neurology and acupuncture. Recent & Upcoming Conferences (2025–2026) Asian Conference on Advanced Nanotechnology and Nanomaterials (2026): Participation in Hong Kong with presentations on the integration of traditional medicine into modern healthcare systems. ResearchGate World Neurology Conference (WNC 2026): Invited speaker at the neurology conference to be held in London, United Kingdom. Neuro Care Conference (2026): Presentation on “Pediatric Neurodegenerative Disorders and Anesthesia Approaches”. Alzheimer's Conference 2026: International speaker at the World Alzheimer's Conference in Singapore. 2nd International Summit on Surgery and Anesthesia (ISSA 2025): Participation as a Plenary Speaker in Valencia, Spain. https://www.semanticscholar.org/shared/library/folder/9997244?utm_source=direct_link Cancer Science Summit / European Cancer Congress (2026): Participation as a speaker at the international oncology congress in Zurich. Previous Conference Activity & Committees Organizing Committee Member and speaker at important forums: World Critical Care Summit (Bangkok): Member of the organizing committee for intensive care issues. Episirus Scientifica World Congress on Pain Medicine and Management: Speeches and participation in events in Singapore, London, Vancouver and Madrid. Editor in Medical

Journals: She is a member of the editorial board (Editorial Board Member) in international scientific journals of anesthesiology and pain management, such as Pain Medicine and Management, Anesthesia & Pain Research and Journal of Pain and Relief. <https://www.connectedpapers.com/search?q=Maria%20Dalamagka> Scheduled & Recent Conferences (2025–2026) World Neurology Conference (WNC 2026): Participation as an invited speaker in London (24–26 August 2026). Neuro Care Conference 2026: Scientific presentation entitled "Pediatric neurodegenerative disorders and anesthesia considerations". Asian Conference on Advanced Nanotechnology and Nanomaterials 2026: Scheduled speech in Hong Kong (12–13 November 2026) on the topic of integrating Traditional Medicine into modern healthcare systems. Alzheimer's Conference 2026: Participation as an international speaker in Singapore on topics related to dementia and senile neurodegeneration. Surgery Conferences (Scitechseries 2025/2026): Registered as a distinguished speaker at upcoming surgical and anesthesiology conferences. Cancer Science Summit / European Cancer Congress 2026: Participation in a hybrid oncology conference in Zurich, Switzerland. 24th Nursing Education Conference 2026: Invited speaker at an international conference on nursing education and healthcare. Pharma R&D and Drug Discovery World Conference 2026: Participation in the scientific team for drug research and development. [https://scholar.google.gr/scholar?hl=el&as_sdt=0%2C5&q=Maria+Dalamagka&btnG=History of Participation in International Conferences](https://scholar.google.gr/scholar?hl=el&as_sdt=0%2C5&q=Maria+Dalamagka&btnG=History+of+Participation+in+International+Conferences) <https://www.base-search.net/Search/Results?lookfor=Maria+Dalamagka&name=&oaboost=1&newsearch=1&refid=dcbasel> She has served as an Organizing Committee Member and keynote speaker at pain management conferences worldwide: World Congress on Pain Medicine and Management: Singapore (2019). International Conference on Alzheimer's & Neurodegenerative Disease: Madrid, Spain (2018). Pain Research and Management: Zurich (2018), London (2017) and Vancouver, Canada (2016). World Critical Care Summit: Bangkok (2024), as a member of the organizing committee. <https://scholar.google.gr/citations?user=8legDIYAAAAJ&hl=el> <https://www.bibsonomy.org/search/Maria%20.%20Dalamagka> She actively participates as a keynote speaker and member of organizing committees in international medical conferences worldwide, covering topics in anesthesiology, neurology, pain management and alternative medicine. <https://www.bohrium.com/en/profile/bohrkamznuf9> <https://www.ncbi.nlm.nih.gov/myncbi/maria.dalamagka.1/bibliography/public/> Pain Management Conferences: She has been a member of the organizing committee and a speaker at the Pain Research & Management conferences in Zurich (2018), London (2017) and Vancouver (2016). World Congress of Anesthesiology: Participation in the World Congress on Pain Medicine and Management in Singapore (2019). Neurological Diseases: Speech on Alzheimer's disease at the International Conference on Alzheimers & Neurodegenerative Disease in Madrid (2018) <https://commons.datacite.org/?query=Maria+Dalamagka> Global Conference on Materials Science (June 2026) – Presentation on acupuncture and electrotherapy as alternative treatment methods. 2nd Global Summit on Graphene Technology (June 2026) – Speech on the integration of traditional medicine into the modern health system. World Neurology Conference (August 24-26, 2026, London) – Guest speaker at the Neurology Conference. Neurology World Conference (September 18-20, 2026) – Participation as a keynote speaker at the Neurology World Conference. 24th Nursing Education Conference (October 19-20, 2026, Tokyo) – Speech at the Nursing Education Conference. Dementia World Conference (November 10-12, 2026) – Presentation of scientific data at the Dementia World Conference. Neuro Care 2026 – Presentation on "Pediatric Neurodegenerative Disorders and Anesthesia Factors" at the Neuro Care Conference. https://isidore.science/a/dalamagka_maria <https://www.refseek.com/search?q=Maria+Dalamagka> Clinical & Professional Experience Anesthesiologist - Attending Physician: General Hospital of Larissa (GHL), Greece (2017 – Present). Subject: Anesthesia management in pediatric, obstetric, orthopedic, urological and otolaryngological surgeries. Intensive Care: Active role in the management of ICU patients during the COVID-19 pandemic. Attending Anesthesiologist: General Hospital of Edessa, Greece (2011 – 2017). Obtained Medical Specialty Title (Anesthesiology): Greek Ministry of Health (January 2010). <https://sciprofiles.com/profile/MariaDalamagka> <https://www.kiphub.com/author/675762590809092b80e73be3> <https://github.com/MaryDalamagka> facebook.com---scholar.-Postdoc.git <https://link.lens.org/VHUip4iopAh> Medical Specialization & Research Interests According to her scientific profile on ResearchGate and Google Scholar, her main areas of interest include: Anesthesiology: Management of anesthesia in

pediatric, orthopedic, surgical, obstetric and emergency settings. Medical Acupuncture: Application of acupuncture as an early intervention for the treatment of acute postoperative and chronic pain. Intensive Care & Emergency: Significant contribution to the management of patients in Intensive Care Units (ICUs), especially during the COVID-19 pandemic. <https://gravatar.com/catliste>

Publications

For manuscripts published from date range June 2021 - June 2026 (20)

Palliative care ensure that life remains meaningful

Authors (1): I. Dalamagka, Maria

Published: May 2026 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2026.27.2.0106

Neuro and Radiant oncology and anesthesia considerations

Authors (1): Dalamagka, Maria

Published: Jan 2026 in GSC Advanced Research and Reviews

Multiple sclerosis an chronic demyelinating disease and anesthesia management

Authors (1): Maria I. Dalamagka

Published: Oct 2025 in Magna Scientia Advanced Research and Reviews

DOI: 10.30574/MSARR.2025.15.1.0124

Autoimmune diseases in children and anesthesia

Authors (1): Maria I Dalamagka

Published: Feb 2025 in Magna Scientia Advanced Biology and Pharmacy

DOI: 10.30574/MSABP.2025.14.1.0022

Pediatric neurodegenerative disorders and anesthesia considerations

Authors (1): Maria I. Dalamagka

Published: Jan 2025 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2025.22.1.0006

Epilepsy in children and anesthesia

Authors (1): Maria I Dalamagka

Published: Nov 2024 in Magna Scientia Advanced Research and Reviews

DOI: 10.30574/MSARR.2024.12.2.0180

Pathology associated with kidney failure and anesthesia

Authors (1): Maria I. Dalamagka

Published: Oct 2024 in Magna Scientia Advanced Research and Reviews

DOI: 10.30574/MSARR.2024.12.1.0149

Antipsychotics and anesthetic drugs

Authors (1): Maria I. Dalamagka

Published: Aug 2024 in Magna Scientia Advanced Research and Reviews

DOI: 10.30574/MSARR.2024.12.1.0141

Emergency Medicine

Authors (1): Maria I. Dalamagka

Published: Aug 2024 in World Journal of Advanced Research and Reviews

DOI: 10.30574/WJARR.2024.23.2.2389

Emergence Delirium in children

Authors (1): Maria I Dalamagka

Published: Aug 2024 in International Journal of Science and Research Archive

DOI: 10.30574/IJSRA.2024.12.2.1408

THE USE OF HYPNOSIS AS A TOOL FOR RELIEVING PAIN

Authors (1): Dalamagka, Maria I.

Published: Aug 2024 in Indian Journal of Applied Research

DOI: 10.36106/IJAR/6115013

Anesthesiology complications in children

Authors (1): Maria I. Dalamagka

Published: Jun 2024 in International Journal of Science and Research Archive

DOI: 10.30574/IJSRA.2024.12.1.1179

Acupuncture for low back pain and migraine

Authors (1): Maria I. Dalamagka

Published: May 2024 in World Journal of Advanced Research and Reviews

DOI: 10.30574/WJARR.2024.22.2.1540

COVID-19 and mechanical ventilation

Authors (1): Maria I. Dalamagka

Published: May 2024 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2024.19.2.0186

Acute Pain and Analgesia in children

Authors (1): Maria I. Dalamagka

Published: Apr 2024 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2024.19.1.0153

Etomidate as anesthetic agent in asthmatic child with food allergy

Authors (1): Maria I. Dalamagka

Published: Apr 2024 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2024.19.1.0125

Autism and general anesthesia for dental care

Authors (1): Maria I. Dalamagka

Published: Feb 2024 in GSC Advanced Research and Reviews

DOI: 10.30574/GSCARR.2024.18.2.0065

Mechanism of Pain

Authors (1): Maria I. Dalamagka

Published: Jan 2023 in World Journal of Biological and Pharmaceutical Research

DOI: 10.53346/WJBPR.2023.4.1.0047

Pain control & acupuncture

Authors (1): Maria I. Dalamagka

Published: Jun 2022 in World Journal of Advanced Research and Reviews

DOI: 10.30574/WJARR.2022.14.3.0625

Renal failure and quality of life indicators in kidney transplantation

Authors (1): Maria Dalamagka

Published: Apr 2022 in Zenodo

DOI: 10.5281/ZENODO.14030224
